

Photography Policy during Liturgies

Out of respect for the Sacraments of Confirmation and Eucharist we will be celebrating, please observe the following guidelines for photography:

DURING THE PROCESSION:

Flash photography and videotaping are allowed during the procession. Please do NOT leave your pew to take pictures.

DURING MASS:

Natural light photography ONLY (no flash)

Please do not leave your pew to take pictures.

Please do not stand on the pew at any time to take photos or video.

A professional photographer will be available to take pictures before or after mass. After mass a photo will be taken with the sacramental class, Father and the teachers.

Please refrain from taking photos of the group until the professional photographer has finished and moved out of the way.

Please make guests and family members aware of the policy.

If you have any questions, please ask.
